

#2003 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 262, **Great Britain’s anti-Jewish role of November 9, 1938, (vi), *Toward the Woodhead Commission’s report***

*Daniel 8:23 (NIV) “In **THE LATTER PART OF THEIR REIGN**, when rebels have become completely wicked, **A [competing] STERN-FACED KING** [represented by Adolf Hitler and Nazi Germany through the event of Kristallnacht, **November 9-10-11, 1938**, which can be considered a beginning to the Holocaust], ***a master of intrigue, will arise.****

**Key Understanding: Great Britain’s anti-Jewish role of November 9, 1938. On November 9, 1938, the date that Kristallnacht would erupt in Nazi Germany, instantly stimulating the desire in even more Jews to exodus en masse from Germany to the land of Palestine, the Woodhead Commission in Great Britain issued its report regarding the partition of Palestine between the Jews and Arabs, which would lead to the British policy of restricting Jewish emigration to Palestine.**

At this point in time, using material from a particular website, we will go through **Palestine history**, spanning the subjects of 1900 - Zionism through 1938 - Woodhead Commission (immediately followed by 1939 - Great Britain restricting Jewish immigration).

*Below* is an outline of the chronologically ordered events. The subjects that are bolded will be covered in order, one per Unsealing, starting with 1900 - Zionism and ending with 1939 - Great Britain restricting Jewish immigration.
