

#2037 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 296, **The Stern Gang, (xx), The Lord’s prophetic purpose through the Stern Gang was to literally and prophetically differentiate and separate the United States from Great Britain, thereby identifying the United States as the *major primary stern-faced king***

Review (from Unsealings #2003–#2017): *Great Britain’s anti-Jewish role of November 9, 1938*. On November 9, 1938, the date that Kristallnacht would erupt in Nazi Germany, instantly stimulating the desire in even more Jews to exodus en masse from Germany to the land of Palestine, the Woodhead Commission in Great Britain issued its report regarding the partition of Palestine between the Jews and Arabs, which would lead to the British policy of *restricting* Jewish emigration to Palestine.

Review (from the previous Unsealing): *Great Britain was likened to Nazi Germany*. The Stern Gang characterized Great Britain as having an anti-Jewish Nazi Germany-like (*competing*) *stern-faced king* role, rather than a pro-Jewish U.S.-like (*primary*) *stern-faced king* role.

Key Understanding: *The major primary stern-faced king*. Because the Stern Gang characterized Great Britain as having an anti-Jewish Nazi Germany-like (*competing*) *stern-faced king* role, rather than a pro-Jewish U.S.-like (*primary*) *stern-faced king* role, the Lord’s prophetic purpose through the Stern Gang was to *literally and prophetically – through the Jews and the (hoped-for establishment of the) nation of Israel – differentiate and separate the United States from Great Britain, thereby identifying the United States as the major primary stern-faced king*. The unusual *mixture* of Great Britain standing in the role of the *minor primary stern-faced king* – alongside the *greater primary stern-faced king*, the United States – yet also assuming the Nazi Germany-like role of an anti-Jewish *competing stern-faced king*, occurred because Great Britain indeed stood as a *mixture* as concerns its foreign policy and status in the world. It was still a hated colonial power continuing to rule over many peoples of the world, including those in India and in the British Mandate of Palestine, yet had made promises to establish a Jewish homeland in Palestine.

U.S. stern-faced king/Stern Gang establishment of Israel vs. Great Britain

*Daniel 8:23 (NIV) “In **THE LATTER PART OF THEIR REIGN**, when rebels have become completely wicked, **A STERN-FACED KING** [a *competing stern-faced king*, represented by Adolf Hitler and Nazi Germany through the event of Kristallnacht, **November 9-10-11, 1938**, which can be considered a beginning to the Holocaust; and the *primary stern-faced king*, represented by Irving Berlin and the United States], ***a master of intrigue, will arise.****
