

#2038 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 297, **The Stern Gang, (xxi), The United States of America plays both of the roles of (i) the major primary stern-faced king of Daniel 8:23 and (ii) the second (but counterfeit) Media-Persia in the modern day birth of the nation of Israel on May 14-15, 1948**

To wrap-up the Stern Gang, *below* is a list of titles of selected Unsealings (from among Unsealings #1253–#1267) as a reminder of the role of the United States of America as a *second* (but *counterfeit*) Media-Persia in the establishment of the state of Israel, with the newly birthed nation becoming a *fig tree not blossoming*. The main point is to see that . . .

Key Understanding: *The major primary stern-faced king is the second (but counterfeit) Media-Persia. The United States of America plays both of the roles of (i) the major primary stern-faced king of Daniel 8:23 and (ii) the second (but counterfeit) Media-Persia in the modern day birth of the nation of Israel on May 14-15, 1948.*

Matthew 24:32-33 (KJV) Now learn A PARABLE OF THE FIG TREE; When his branch is yet tender, AND PUTTETH FORTH LEAVES, ye know that summer is nigh: 33 So likewise ye, when ye shall see all these things, know that it is near, even at the doors. {it: or, he}

Joel 1:4, 12 (KJV) *That which the palmerworm hath left hath the locust eaten; and that which the locust hath left hath the cankerworm eaten; and that which the cankerworm hath left hath the caterpillar eaten. {That which the palmerworm...: Heb. The residue of the palmerworm}*

12 The vine is dried up, AND THE FIG TREE LANGUISHETH [NIV . . . the fig tree is withered]; *the pomegranate tree, the palm tree also, and the apple tree, even all the trees of the field, are withered: because joy is withered away from the sons of men.*

- **Unsealing #1255 America as Media-Persia – World War II: The war ends with the Media-Persia Pu-239 Atomic Bomb, and the Jews are delivered into the Promised Land with the founding of Israel**

	<p>The <i>second</i> Media-Persia has a Pu-239 victory. World War II was essentially ended by the August 6, 1945, U-238 atomic bomb that was dropped upon Hiroshima, Japan, and the August 9, 1945, Pu-239 atomic bomb that was dropped upon Nagasaki, Japan.</p> <p>The Jews are delivered into the Promised Land. The British Mandate over Palestine ended at midnight on May 14, 1948, and Israel's first day as a nation was May 15, 1948. Many Jews that survived the Holocaust came to the Promised Land.</p>	
--	---	---

Just as Cyrus the Great and Daniel 2:39 Media-Persia defeated Daniel 2:38 Babylon and delivered the Jews back into the Promised Land, the *second* Media-Persia – the United States – ended the war with Japan with the Pu-239 atomic bomb. As a consequence of World War II, Israel was established as a nation on May 14, 1948.

<p>The <i>second</i> Media-Persia has a Pu-239 victory.</p>	<p>The Jews are delivered into the Promised Land.</p>
<p>The war with Japan was ended by the dropping of the Pu-239 atomic bomb.</p>	<p>As a result of World War II, Israel was established as a nation on May 14, 1948.</p>
	
<p>America was playing the role of a <i>second</i> Media-Persia</p>

- **Unsealing #1264 Israel as the Fig Tree – If Nebuchadnezzar’s Babylonians and their captivity of the Jews caused the fig tree to not blossom (literally and figuratively), then the Media-Persians and their allowing of the Jews to return to Judah were cause for the fig tree to blossom (literally and figuratively)**
- **Unsealing #1265 Israel as the Fig Tree – If Nebuchadnezzar’s Babylonians and their captivity of the Jews caused the fig tree to not blossom (literally and figuratively), and the Media-Persians and their allowing the Jews to return to Judah were cause for the fig tree to blossom (literally and figuratively), how does that apply to the rebirth of Israel through the events of World War I and World War II?, part 1**
- **Unsealing #1267 Israel as the Fig Tree – The contrast between the May 14-15, 1948, birth of Israel as the fig tree blossoming (and bearing fruit), with America playing the role as the second Media-Persia, vs. the May 14-15, 1948, birth of Israel as a fig tree with leaves, but not blossoming (nor bearing fruit), with America in its true role as the second Babylon, or Babylon the Great**
