

#2049 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 308, **Nuremberg Day of Judgment, (xi), October 16, 1946: The Ten Hangings at Nuremberg**

Ten (10) of the twelve (12) Nazi leaders sentenced on October 1, 1946, to die by hanging would do so. Hermann Goering – founder of the Gestapo, head of the Luftwaffe, and minister of economic affairs – committed suicide the night before his scheduled early morning execution. Martin Bormann’s whereabouts were unknown, although it is now believed that he died in May 1945.

Hermann Goering

Here is **#2049–Doc 1, a famous account of the hangings** given by Kingsbury Smith of the International News Service, who was chosen by lot to represent the American press at the executions. While this account is widely known, there is a variation between (i) the order of the hangings given near the beginning of the article vs. (ii) the order relayed in the story; (iii) the pictures on the right match up with (i) the order near the beginning of the article.

Key Understanding: The key verse that prophetically draws together the Nuremberg story is Matthew 27:25.

Matthew 27:24-26 (KJV) When Pilate saw that he could prevail nothing, but that rather a tumult was made, he took water, and washed his hands before the multitude, saying, I am innocent of the blood of this just person: see ye to it.

*25 Then answered all the people, and said, **HIS BLOOD BE ON US, AND ON OUR CHILDREN.***

26 Then released he Barabbas unto them: and when he had scourged Jesus, he delivered him to be crucified.
