

#2104 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 363, Nuremberg Day of Judgment, (lxvi), The Hel Spit: The German invasion of Poland

The German invasion of Poland.
Germany invaded Poland from the west on September 1, 1939, an act that served as the start of World War II.

In hindsight, even though Hitler's tentacles spread throughout almost all of Europe to gather a morbid harvest of Jews, the exact place where Jews would *not* have desired to settle and resettle in their dispersions – had they the foreknowledge of the upcoming Holocaust – would have been Poland.

Key Understanding (which is the same as is in Unsealings [#2094](#)–[#2102](#)): *The dispute over the Polish Corridor, which included Hel Spit. The Polish Corridor refers to a corridor of land that allowed Poland to be linked to the Baltic Sea, which encompassed land that belonged to Germany in World War I, and, furthermore, which now split in two what was part of Germany during World War I. Adolf Hitler’s premise for beginning World War II significantly surrounded the dispute over the city of Danzig (Gdansk, Poland today) and the Polish Corridor, which included Hel Spit. The spiritual/prophetic and even historical point is that the Lord ordained the land (the Polish Corridor) that included the Hel Spit to be directly linked to Hitler’s excuse for the invasion and occupation of Poland – which led to the death of millions of Jews – for the purpose of illustrating that the Lord was not going to be mocked concerning the mocking of, spitting upon, striking of, and crucifixion of his Son, Jesus Christ.*

Mark 14:63-65 (KJV) Then the high priest [Caiaphas] rent his clothes, and saith, What need we any further witnesses?

64 Ye have heard the blasphemy: what think ye? And they all condemned him to be guilty of death.

*65 **AND SOME BEGAN TO SPIT ON HIM**, and to cover his face, and to buffet him, and to say unto him, *Prophesy: and **THE SERVANTS DID STRIKE HIM WITH THE PALMS OF THEIR HANDS.****
