

#2108 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 367, **The Pale of Settlement, (i), In the Nazi Holocaust, most Jews died in Nazi-occupied Poland and the Nazi-occupied part of the Soviet Union which were in (or directly next to) what was formerly called the Pale**

The story surrounding the Nazi Holocaust in World War II takes us from Nuremberg Day of Judgment to The Pale of Settlement.

1,500,000 Jews died in the Nazi-occupied part of the Soviet Union. Unsealing #2106 was about The Hel Spit: The war that ostensibly began because of the dispute over the Polish Corridor, which included Hel Spit, led to the deaths of 2.8 million Jews in Poland. The map below, which was also in Unsealing #2106, illustrates that approximately 2,800,000 Jews died in *Nazi-occupied* Poland during the Holocaust. What is to be attended to now is the story surrounding the 1,500,000 Jews who lost their lives in the *Nazi-occupied* part of the USSR, as is also shown on the map.

Nazi-occupied Poland.
Over 90% of Polish Jewry, about three (3) million, were killed during the Holocaust (also called Shoah in Hebrew) in Nazi-occupied Poland, along with approximately three (3) million non-Jewish Poles. The Nazi occupation of Poland resulted in the death of one-fifth of the Polish population.

The Nazi-occupied Soviet Union.
One and one-half (1 ½) million Jews were killed in the Nazi-occupied part of the Soviet Union.

The numbers presented on the map above are graphically represented in the chart which follows:

Country Jewish Population September, 1939 | Number of Jews Murdered | Percentage of Jews Murdered

- 1. Poland 3,300,000 | 2,800,000 | 85.0
- 2. USSR (occupied territories) 2,100,000 | 1,500,000 | 71.4

Key Understanding #1: Millions of Jews died in the Pale of Settlement. In the Holocaust, Jews were killed in Nazi-occupied Poland (in which 2,800,000 died overall, according to the figures above) and Jews were killed in the Nazi-occupied part of the Soviet Union (in which

1,500,000 died overall, according to the *above* figures). A significant portion of the Nazi-occupied part of Poland in which the Jews were exterminated was a part of what is historically referred to as the *Pale of Settlement*, while almost all of the Nazi-occupied part of the Soviet Union in which Jews were exterminated was a part of that same Pale of Settlement. The words ‘The Pale’ have been added to the general region of the large area known as the **Pale of Settlement. [This will be better understood as we continue forward to learn more about the Pale of Settlement.]**

Key Understanding #2: *The Pale of Settlement and the Pale Horse Rider*. The shocker of it all – or maybe it shouldn’t be – is that the extermination of the Jews in the Pale of Settlement was a major fulfillment of the Pale Horse Rider of Revelation 6:7-8. [This will also be better understood as we continue forward to learn more about the Pale of Settlement.] Thus, the primary key verses of the Unsealings about the Pale of Settlement will be Revelation 6:7-8:

***Revelation 6:7-8 (KJV)* And when he had opened THE FOURTH SEAL, I heard the voice of the fourth beast say, Come and see.
8 And I looked, and behold A PALE HORSE: and his name that sat on him was DEATH, AND HELL followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.**
