

#2119 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 378, **The History of the Pale of Settlement, (v), The enlarged Lithuania of the 1300's and 1400's is what eventually constituted the majority of the Pale of Settlement**

Key Understanding: *The growth of Lithuania. A good place to start on understanding what became the Pale of Settlement for the Jews is the growth of Lithuania in the 1300's and 1400's, because it was this enlarged Lithuania that eventually became the Pale of Settlement.*

	Grand Principality of Lithuania, 1240
	Lithuanian conquests by 1340, including the Russian Principalities of Polotsk and Pinsk-Turov
	Ruled by Lithuania in 1462
	Russian Principalities unconquered by Lithuania

Shattered by Mongol invasions, and divided amongst themselves, the Russian Principalities fell easy victims to Lithuanian expansion after 1240.

*Revelation 6:7-8 (KJV) And when he had opened **THE FOURTH SEAL**, I heard the voice of the fourth beast say, Come and see.
 8 **And I looked, and behold A PALE HORSE: and his name that sat on him was DEATH, AND HELL followed with him.** And power was given unto them over the **fourth part** of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.*

Here is **#2119–Doc 1**, an excellent more detailed map on **the expansion of Lithuania during the 13th-15th centuries**. Enlarged Lithuania would later constitute the major portion of the Jewish Pale of Settlement. Magnify the map as needed.
