

**#2130** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 389, **The History of the Pale of Settlement, (xvi), Napoleon’s Grand Duchy of Warsaw, the heart of Poland, because it became a part of the Russian Empire after 1815, became a part of the Pale of Settlement**

**Key Understanding:** *Congress Poland became part of the Pale of Settlement. The old Grand Duchy of Warsaw, the heart of Poland – which was previously not a part of the Russian portion of the three partitions of 1772, 1793, and 1795 – now became a part of the Russian Empire in 1815, and became a part of the Pale of Settlement.*

*Below is a map depicting the “Area of Legal Jewish Settlement in Russia in 1825.” The “Kingdom of Poland,” or “Congress Poland,” has been added to the Pale of Settlement. The striped portions are “provinces where [Jewish] residence rights were withdrawn in 1825.”*
