

#2155 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 414, **The Pale Horse, (xi), The Pale Horse arises in conjunction with the White Horse, the Red Horse, and the Black Horse: Review of Unsealing #798**

Key Understanding: *The Pale Horse arises in conjunction with the White Horse, the Red Horse, and the Black Horse.* This segment of Unsealings is for the purpose of understanding that the Pale Horse and its rider arise in conjunction with the rise of the White Horse, the Red Horse, and the Black Horse. Reviews of Unsealings [#785](#), [#787–#789](#), [#796–#799](#), [#803](#), [#806–#807](#), [#812–#814](#), [#819](#), and [#821](#) will help to clarify. Below is a repeat of Unsealing [#798](#).

#798 The Black Horse Rider – December 10, 1991: Black Horse Day, part 7, The Constantinian *Longer* Period of Time of the White Horse Rider conquering for Christian Autocracy and Christian Democracy (Second Rome through Fourth Rome), and the Wilsonian *Shorter* Period of Time of the White Horse Rider conquering for Christian Democracy (Fourth Rome only), with each time period ending with the same Black Horse Rider

Revelation 6:2 (KJV) And I saw, and behold *A WHITE HORSE*: and *HE* [Constantine the Great representing *Second Rome Christian Autocracy*, with the prophetic step to Woodrow Wilson representing *Fourth Rome Christian Democracy*] *THAT SAT ON HIM HAD A BOW*; and a crown was given unto him: and *HE WENT FORTH CONQUERING, AND TO CONQUER.*

White Horse Rider

In order to better understand the revealing of the Black Horse Rider, let's outline (i) a *longer* period of time and (ii) a *shorter* period of time concerning two major White Horse Riders, *Constantine* and *Woodrow Wilson*, respectively.

- (i) **Let's define the Constantinian *longer* period of time of the conquering Antichrist White Horse Rider.** The *longer* period of time represents *sword-bearing conquering Christianity as a whole*, including the time period of Christian Autocracy and Christian Democracy. It therefore includes (a) the Christian *Autocracy Second Rome* Byzantine Eastern Roman Empire, (b) the Christian *Autocracy Third Rome* Russian Romanov Empire, and (c) the Woodrow Wilson-led Christian *Democracy Fourth Rome* United States. These are all included together because the Christian *Democracy Fourth Rome* United States continued to “carry the torch,” so to speak, for Christianity after the demise of the Christian *Autocracy Third Rome* Russian Romanov Empire. [As was written in Unsealing [#785](#), which was about the prophetic step from Constantine the Great to Woodrow Wilson in Revelation 6:2, the Constantinian spirit of Making the World Safe for *Christianity* was/is continued

through the church *reigning on the earth* with Woodrow Wilson’s sword-bearing *Fourth Rome Christian Democracy*, whose purpose it was/is to Make the World Safe for *Democracy*.]

- (ii) **Let’s define the Wilsonian *shorter* period of time of the conquering Antichrist White Horse Rider.** It represents sword-bearing Christian *Democracy* as including only what is seen in the above paragraph as (c) the Woodrow Wilson-led Christian *Democracy Fourth Rome United States*.

The Red Horse Rider Soviet Union vs. *both* (i) and (ii) above. Now let’s reintroduce the November 6-7, 1917-birthing and V. I. Lenin-led Bolshevik Soviet Union as the Revelation 6:3-4 Red Horse Rider that was an adversary of *both* (i) the Constantinian *longer* period of time of the conquering Antichrist White Horse Rider, especially seen through its desire to end the Christian *Autocracy Third Rome Russian Romanov Empire*, and (ii) the Wilsonian *shorter* period of time of the conquering Antichrist White Horse Rider represented by the Christian *Democracy Fourth Rome United States*.

Red Horse Rider

White Horse *beginning*, Black Horse *end*. The Black Horse Rider represents the White Horse Rider, but at the “*time of the end*” – particularly meaning the “*time of the end*” of the Red Horse Rider who the Black Horse Rider is judging, as depicted by the pair of balances.

Key Understanding: *The Constantinian longer period of time and Wilsonian shorter period of time of the conquering white horse rider.* The December 8-10, 1991, demise – the “*time of the end*” – of the Soviet Union (fulfilling Daniel 12:8-10) represented the judgment of the Red Horse Rider Soviet Union by the Black Horse Rider United States. The victory by the United States as the Black Horse Rider represented a victorious ‘ending’ – because of the defeat of the Red Horse Rider – on behalf of both (i) the Constantinian *longer* period of time (representing Christianity as a whole through the *Second, Third, and Fourth Romes*) of the conquering Antichrist White Horse Rider, and (ii) the Wilsonian *shorter* period of time (representing Christian *Democracy Fourth Rome*) of the conquering Antichrist White Horse Rider.

Revelation 6:3-4 (KJV) And when he had opened **THE SECOND SEAL**, I heard the second beast say, Come and see.

4 And there went out **ANOTHER HORSE THAT WAS RED** [the V. I. Lenin-led USSR]: and **power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword.**

Revelation 6:5-6 (KJV) And when he had opened **THE THIRD SEAL**, I heard the third beast say, Come and see. And I beheld, and lo **A BLACK HORSE**; and he that sat on him had **A PAIR OF BALANCES IN HIS HAND.**

6 And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of

Black Horse Rider

barley for a penny; and see thou hurt not the oil and the wine.
