

#2165 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 424, **The Pale Horse, (xxi), The Pale Horse arises in conjunction with the White Horse, the Red Horse, and the Black Horse: World War I**

**Key Understanding #1:** *The World War I rise of the four horses of the apocalypse.* A review of sixteen Unsealings (in Unsealings [#2149–#2164](#)) has served as a reminder of how and why the rise of the White Horse and its rider, the Red Horse and its rider, and the Black Horse and its rider are closely associated with World War I.

**Key Understanding #2:** *The White Horse and its rider are seen on April 2, 1917, and the Pale Horse and its rider are associated with April 2, 1917.* Prior to the sixteen review Unsealings, Unsealings [#2146–#2148](#) explained that the **White Horse** (and its rider) of Revelation 6:2 is seen with Woodrow Wilson’s war message of April 2, 1917, and the **Pale Horse** (and its rider) of Revelation 6:7-8 is seen with the end of the Pale of Settlement by the democratic Provisional Government on April 2, 1917 (*below*).

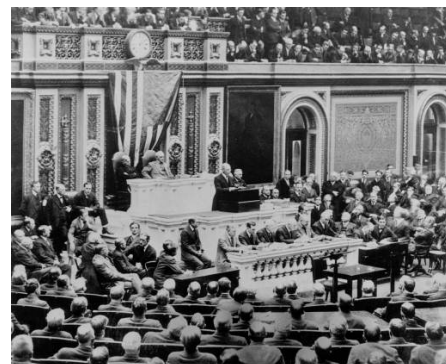

**(i) April 2, 1917 – Woodrow Wilson’s war message**

President Woodrow Wilson entered the packed and cheering chamber of the House of Representatives at 8:32 p.m., April 2, 1917. The speech included . . .

**The world must be made safe for democracy.** Its peace must be planted upon the tested foundations of political liberty.

*Revelation 6:2 (KJV) And I saw, and behold **A WHITE HORSE**: and **HE THAT SAT ON HIM** [Woodrow Wilson on April 2, 1917 – and we can call his horse *Man o’ War*] **HAD A BOW**; and a crown was given unto him: and **HE WENT FORTH CONQUERING, AND TO CONQUER.***

(ii) April 2, 1917 – Alexander Kerensky’s democratic Provisional Government ended the Pale of Settlement

*Revelation 6:7-8 (KJV) And when he had opened **THE FOURTH SEAL**, I heard the voice of the fourth beast say, Come and see. 8 **And I looked, and behold A***

***PALE HORSE: and his name that sat on him was DEATH, AND HELL followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.***

***Double Pale Horse Riders. It is time to examine in more depth how and why Alexander Kerensky’s democratic Provisional Government ending the Pale of Settlement on April 2, 1917, is historically and prophetically related to (i) the rise of Adolf Hitler’s Third Reich as a Pale Horse Rider and (ii) the rise of the United States as a Pale Horse Rider. Essentially, just as Adolf Hitler’s Germany and the United States were double stern-faced kings, so too were they double Pale Horse Riders.***
