

#2225 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 484, **The Pale Horse, (lxxx), Poland-Lithuania seemed like Paradise for the Jews, but became Death, with Hell following**

As was discussed in Unsealing #2103, Poland-Lithuania was known as *paradisus Judeorum* (Latin for *Jewish paradise*). Below is the paragraph:

**History of the Jews in Poland** (from *Wikipedia*). From the founding of the Kingdom of Poland in the eleventh century through the years of the Polish-Lithuanian empire, Poland was one of the most tolerant countries in Europe. Known as *paradisus Judeorum* (Latin for *Jewish paradise*), it became home to one of the world’s largest and most vibrant Jewish communities. For centuries Poland was a unique shelter for persecuted and expelled European Jewish communities. ***Polin***, as the Jews called the place in Yiddish, was a place which meant in Hebrew ‘Here shalt thou lodge’ in the exile from the land of Israel. Famous rabbi of Krakow Moses Isserles in the 16<sup>th</sup> century concluded: “*had not the Lord left us this land as a refuge, the fate of Israel would have been indeed unbearable.*”

**Key Understanding: *The Jewish paradise becomes death, with hell following. What seemed like the Jewish paradise would fulfill a significant part of the prophecy of Revelation 6:7-8. Instead of the Jewish paradise, it became Death for millions of Jews, with Hell following.***
