

#2240 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 499, **The Pale Horse, (xcvi), The United States of America as the Pale Horse Rider: The entire history surrounding the “fourth part of the world” and the Monroe Doctrine was to eventually point to the United States of America entering World War I to “make the world safe for democracy” in fulfillment of prophecy as the *primary* rider on the Pale Horse**

James Monroe, December 2, 1823:
the “*to kill with sword*”
rider on the Pale Horse
making the Western Hemisphere –
the *fourth part of the world* –
safe for democracy

Revelation 6:8 (KJV)
And I looked, and behold A PALE HORSE: and his name that sat on him was DEATH, AND HELL followed with him. And power was given unto them over THE FOURTH PART OF THE EARTH, to kill (i) with sword, and (ii) with hunger, and (iii) with death, and (iv) with the beasts of the earth.

Woodrow Wilson, April 2, 1917:
the “*to kill with sword*”
rider on the Pale Horse
making the whole world –
both the Western Hemisphere
and the Eastern Hemisphere –
safe for democracy

Key Understanding: *The Monroe Doctrine pointed to Woodrow Wilson making the whole world safe for democracy. The entire history surrounding the discovery of the Americas, the labeling of them as the “fourth part of the world,” and the Monroe Doctrine protecting the “fourth part of the world” was to eventually point to Woodrow Wilson’s more expansive April 2, 1917, war message of “making the [entire] world safe for democracy,” through and after the demise of the three former Holy Alliance members – the Prussian (German)*

Empire, the Austrian-Hungarian Empire, and the Russian Empire – as America fulfilled its role as the *primary* Revelation 6:7-8 Pale Horse Rider.

Review (from Unsealings [#2210](#), [#2218](#), [#2233](#)): *The United States of America as the primary pale horse rider assassin of the pale horse riders.* Because (i) Alexander Kerensky’s democratic Provisional Government symbolized – and represented prophetically – the democracy of the United States in the first Russian revolution of 1917 that overthrew the Tsarist Russian Empire, and because (ii) the entry of the United States of America into World War I led to the Allied victory and the demise of the Austrian-Hungarian Empire, and because (iii) the entry of the United States into World War II led to the demise of Germany’s Third Reich, the United States of America can be considered the ultimate and primary assassin of the three Pale Horse Riders.

The Pale slaying of Germany

The Pale slaying of Nazi Germany in World War II is represented by the Allies slaying Nazi Germany, a Pale Horse Rider in the Pale of Settlement against the Jews.

The Pale slaying of Russia

The Pale slaying of the tsarist Russian Empire in World War I by Alexander Kerensky’s democratic Provisional Government (*Kerensky is pictured in front of the Pale*) is represented and symbolized by the Kerensky government officially “ending” the Pale of Settlement on April 2, 1917, the day of U.S. President Woodrow Wilson’s war message to Congress.

The Pale slaying of Austria

The Pale slaying of the Austrian-Hungarian Empire in World War I is symbolized by the Pale assassination of Archduke Franz Ferdinand. [Trifko Grabez was from Pale, Bosnia.]
