

**#2252 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 511, The Pale Horse, (cviii), Preacher with a Gun: Woodrow Wilson’s Christian Democracy as the *primary* Pale Horse Rider, defeating the Prussians (Germans), Russians, and Austro-Hungarians**

**Key Understanding: *Preacher with a gun – Christian democracy pale horse rider.* Woodrow Wilson’s Christian democracy served to prophetically depict the United States, in its role as the *primary* Pale Horse Rider, as a *preacher with a gun* – a part of which is fulfilled through the defeat of the Prussians (Germans), the Russians, and the Austro-Hungarians.**

**The Pale slaying of the Second Reich German Empire**

The slaying of Kaiser Wilhelm II’s German Empire in World War I by Woodrow Wilson’s Christian Democracy – like a preacher with a gun – was a fulfillment of America’s role as the *primary* Pale Horse Rider of Revelation 6:7-8.

**The Pale slaying of Russia**

The Pale slaying of the tsarist Russian Empire in World War I by Alexander Kerensky’s democratic Provisional Government (*Kerensky is pictured in front of the Pale*) is represented and symbolized by the Kerensky government officially “ending” the Pale of Settlement on April 2, 1917, the day of U.S. President Woodrow Wilson’s war message to Congress.

**The Pale slaying of Austria**

The Pale slaying of the Austrian-Hungarian Empire in World War I is symbolized by the Pale assassination of Archduke Franz Ferdinand. [Trifko Grabez was from Pale, Bosnia.]

***Revelation 6:8 (KJV) And I looked, and behold A PALE HORSE: and his name that sat on him was DEATH, AND HELL followed with him. And power was given unto them over THE FOURTH PART OF THE EARTH, to kill (i) with sword, and (ii) with hunger, and (iii) with death, and (iv) with the beasts of the earth.***
