

#2275 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 534, **The Pale Horse, (cxxx), Narrowing the definition of the “fourth part of the earth” from the Western Hemisphere to the Northwestern Quadrant of the World**

The Western Hemisphere as the “*fourth part of the earth.*” The famous 1507 map of Martin Waldseemüller and Matthias Ringmann that was the first to name the “fourth part” of the world *America*, was primarily labeling the South American continent as such. Therefore, the entire Western Hemisphere, in reality “one-half of the world,” was defined as the “fourth part of the world,” and subsequently fulfilled prophecy as “*the fourth part of the earth*” through – among other things – the Monroe Doctrine.

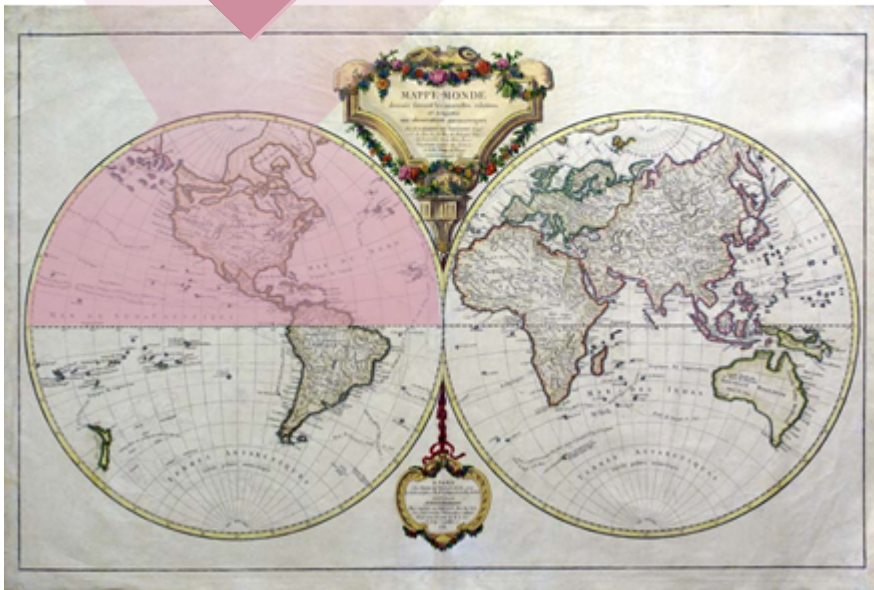

The one-half of the world that was the “*fourth part*” of the world

Key Understanding: *The northwest quadrant: a genuine “fourth part of the earth.”* However, with the full discovery of North America, the northwest quadrant of the world – which contained what would become the world’s greatest power, the United States of America – became the prophetic home of a more accurately defined “*fourth part of the earth.*” In fact, a major prophetic reason for the United States being geographically located in the northwest quadrant of the world is for the purpose of fulfilling the Pale Horse Rider verse of Revelation 6:8 – the “*fourth part of the earth.*”

Below is a rare map from the 1770’s depicting (inaccurately) the North American continent. Nonetheless, the North American continent, home to the United States, served to fulfill the genuine meaning of the “fourth part of the earth.”

The “fourth part” of the world

Revelation 6:8 (KJV) *And I looked, and behold A PALE HORSE: and his name that sat on him was DEATH, AND HELL followed with him. And power was given unto them over THE FOURTH PART OF THE EARTH, to kill (i) with sword, and (ii) with hunger, and (iii) with death, and (iv) with the beasts of the earth.*
