

#2279 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 538, **The Pale Horse, (cxxxv), Constantius the Pale and his son, the White Horse Rider**

Review (from the previous Unsealing): *The white horse in the role of the pale horse.* The question is, Why do we see the White Horse Rider doubling in the role as the Pale Horse Rider? Furthermore, since we learned that the White Horse Rider was also the Black Horse Rider (reference Unsealings [#797](#) and [#2154](#)), why is the White Horse Rider doubling as the Black Horse Rider and the Pale Horse Rider? And further yet (reference Unsealings [#819](#) and [#2163](#)), it was outlined that the Lord chooses to view the Black Horse as a Red Horse. It is as if the White Horse is the Red Horse is the Black Horse is the Pale Horse, with slightly different facets differentiating the horses. What is going on?

Key Understanding (of this Unsealing #2279): *Constantius the pale.* Before the above questions are addressed, let's see that the Lord left a powerful clue *through the father of Constantine the Great* that the White Horse Rider is in the role of the Pale Horse Rider. Constantine, whose rise to rule the entire Roman Empire was wrapped around his father, Constantius, is history's prototype White Horse Rider. And Constantius was called Constantius Chlorus, the Pale.

Below is a repeat of Unsealing [#763](#), about Constantius Chlorus, the Pale.

#763 Constantine the Great and Woodrow Wilson, II – Constantine and Revelation 6:2: Constantius Chlorus, the Pale

*Revelation 6:2 (KJV) And I saw, and behold A WHITE HORSE: and HE [Constantine the Great] THAT SAT ON HIM HAD A BOW; and A CROWN [of his father's (Constantius's) throne] WAS GIVEN UNTO HIM: and HE WENT FORTH CONQUERING, AND TO CONQUER. [Constantine sat on his earthly father's throne through the *Sword*, and reigned on the earth in the name of the Heavenly Father.]*

Constantius Chlorus, the Pale. Constantius, the father of the prototype Revelation 6:2 Antichrist White Horse Rider Constantine, had the given name of Marcus Flavius Valerius Constantius. However, he is commonly known as Constantius *Chlorus* by Byzantine and other historians. This famous addition to his name meant *pale*, referring to his pale complexion.

The Pale Horse. The *Chlorus* nickname for Constantine's father translates to *pale*, and is the exact same word that is used in Revelation 6:7-8 for the *Pale Horse*.

Constantius Chlorus, the Pale,
father of Constantine the Great

Revelation 6:7-8 (KJV) *And when he had opened the FOURTH SEAL, I heard the voice of the fourth beast say, Come and see.*

8 And I looked, and behold A PALE <Strong's 5515> HORSE: AND HIS NAME THAT SAT ON HIM WAS DEATH, AND HELL FOLLOWED WITH HIM. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

5515 κλωρον chloros *khlo-ros'* from the same as **5514**; adj

- 1) green
- 2) yellowish pale

Key Understanding: *Chlorus, the Pale.* The Lord ordained that Constantius, the father of Constantine the Great, would have a notable *pale* complexion and thus obtain the nickname of *Chlorus*, “the Pale,” to point to the fact that his son, Constantine the Great, would – as the prototype White Horse Rider of Revelation 6:2 – represent the *beginning* of the Four Horsemen of the Apocalypse, which *end* with the **Revelation 6:8 Pale Horse Rider**.
