

#2300 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 559, **The Prince That Shall Come, (viii), Repeat of Unsealing #1984 to explain that the Prince of Orange is at the root of “the prince that shall come”**

Key Understanding (of this Unsealing #2300): *The Princes of Orange and “the prince that shall come.”* The Princes of Orange are at the root of the theme of “the prince that shall come,” for they represented the *rights of man* coming forth from the Netherworld. George Washington, whose victory at Princeton in 1777 helped secure the course for America’s independence, was a *second* Prince of Orange.

*Daniel 9:26 (KJV) And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of **THE PRINCE THAT SHALL COME** shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.*

#1984 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 243, **The House of Orange, (xxi), Washington as a *second* Prince of Orange advancing the rights of man**

Review (from the previous Unsealing, #1983): The American victory at Princeton, which was named after William III, Prince of Orange, revived patriot hopes toward implementing their independence from Great Britain, that is, fulfilling America’s destiny as the Beast arising out of the England-Netherlands pit.

Key Understanding: Washington, a second Prince of Orange. George Washington, through the January 3, 1777, Battle of Princeton – which unfolded at the town named after William III, Prince of Orange – prophetically became a type of *second* William III of Orange, advancing the rights of man on behalf of the ultimate Prince of Orange, the Prince of the Underworld, toward fulfilling America’s destiny as the Beast arising out of the England-Netherlands pit.

To the *left* is the famous *Washington at Princeton* painting by Charles Willson Peale (1779). To the *right* is William III, Prince of Orange and Nassau.

Revelation 17:08 (KJV) THE BEAST [America, the Eighth (8th) Kingdom, Revelation 17:11] *that thou sawest was, and is not; and SHALL ASCEND OUT OF THE BOTTOMLESS PIT* [having *historical roots* in the combination of *England-Netherlands*, but also having the *spiritual roots* that came with those historical roots. Those *spiritual roots* were not from God, but were from the *spiritual abyss*, the *spiritual pit*, the *spiritual netherworld*. America's ascension as the 8th Kingdom included the initial phase of Protestant England 'rising' out of the Netherlands, represented through the defeat of the Spanish Armada in '88 (1588) and the successful invasion of the Dutch Armada in '88 (1688), **and then included, during the Revolutionary War, the important American victory at Princeton, named after William III, Prince of Orange**, *and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.*
