

**#2307** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 566, **The Prince That Shall Come, (xv), The Pale connection between Woodrow Wilson and Bill Clinton**

**Key Understanding:** *The Pale connection between Woodrow Wilson and Bill Clinton. Not only were presidents Woodrow Wilson and Bill Clinton each historically connected with Pale, Bosnia, but their Pale connections themselves were historically linked, because each was a part of America’s layered fulfillment as the *primary* Revelation 6:7-8 Pale Horse Rider.*

**Pale, Bosnia, and Woodrow Wilson**

The issue of Bosnia and Herzegovina becoming a part of Serbia, instead of being overlorded by the Austrian-Hungarian Empire, thrust the Woodrow Wilson-led United States and the world into World War I. The city of Pale, Bosnia, was home to Trifko Grabez, one of the conspirators in the assassination of Archduke Franz Ferdinand [reference Unsealing #2198].

**Pale, Bosnia, and Bill Clinton**

After (or as) the state of Bosnia and Herzegovina gained its independence from Yugoslavia in 1992, the Serbs within Bosnia and Herzegovina in 1992-1995, much of this occurring during the time of Bill Clinton’s presidency, fought to break away from Bosnia and Herzegovina to form their own independent Serbia-dominated state next to Serbia, hoping to maintain or create a realm of Greater Serbia always desired by the Serbs in the region, a position held by the Serbs that sparked World War I. The city of Pale, the hometown of Trifko Grabez, one of the conspirators in the assassination of Archduke Franz Ferdinand, was the proclaimed de facto capital of the Serbian state within Bosnia. The Clinton Administration – led by U.S. Secretary of State Warren Christopher and negotiator Richard Holbrook – was instrumental in brokering the Dayton Peace Accord to end the conflict.

**Bosnia and Herzegovina** declared independence from Yugoslavia on March 1, 1992, (recognized on April 6, 1992) but the Serbs in Bosnia, desiring to be connected to Serbia, disagreed. War and major ethnic cleansing broke out between 1992-1995, with the Serbs forming an independent Serbian state within Bosnia and Herzegovina with the city of Pale functioning as its capital.

*Revelation 6:8 (KJV) And I looked, and behold A PALE HORSE: and his name that sat on him was DEATH, AND HELL followed with him. And power was given unto them over THE FOURTH PART OF THE EARTH, to kill (i) with sword, and (ii) with hunger, and (iii) with death, and (iv) with the beasts of the earth.*
