

#2318 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 577, **The Prince That Shall Come, (xxvi), 76 years from the November 2, 1917, Balfour Declaration during Woodrow Wilson’s presidency to the September 13, 1993, peace accord during Bill Clinton’s presidency**

Key Understanding: 76 years from the Balfour Declaration to the Rabin-Arafat peace accord. Again, we will be returning to understand the fuller meaning behind the September 13, 1993, peace accord during Bill Clinton’s presidency, but for now, let’s understand that there were 76 years (less 2 months, then add 11 days) between the November 2, 1917, Balfour Declaration during Woodrow Wilson’s administration and the September 13, 1993, Clinton-Rabin-Arafat peace accord (the Oslo Accords) in Washington D.C. The Lord’s purpose for the 76 years will be discussed later. [The Balfour Declaration was covered in Unsealings [#1256–#1257](#), [#1270–#1271](#), [#1274](#), [#1379](#), [#1392](#), [#2007](#), [#2317](#).]

**THE PRINCE
THAT SHALL COME**

Daniel 9:27 (KJV) And he shall confirm the covenant with many for ONE WEEK: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

At this point in time, we are going to depart from **The Prince That Shall Come** and the theme of the September 13, 1993, peace accord between Rabin’s Israel and Arafat’s Palestine

Liberation Organization, and lead back towards it by (mostly) covering the meaning of the conflicts and wars (and peace agreements) between modern-day Israel and its Arab neighbors.
