

#2322 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 581, Hebron Massacre of August 23-24, 1929, (iv), The land of Canaan in God’s covenant with Abraham in Genesis 17 and the land of Palestine in the covenant of the antichrist “*prince that shall come*” in Daniel 9:27

Key Understanding: *The covenants and possessing the land of Palestine.* There was the issue of the possession of the land of Canaan as a part of God’s covenant with Abraham in Genesis 17, and there was the issue of the possession of basically the same land, the land of Palestine, in “*the covenant*” of the antichrist “*prince that shall come*” in Daniel 9:27. [The specifics of how and why the September 13, 1993, Oslo Accords surrounded the issue of the possession of the land of Palestine will be discussed later.]
