

#2344 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 603, **Hebron Massacre of August 23-24, 1929, (xxvi), *Doubles of the Wall and the Street***

*Daniel 9:24-27 (KJV) **SEVENTY WEEKS** [of years] are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.*

*25 Know therefore and understand, that from **THE GOING FORTH OF THE COMMANDMENT TO RESTORE AND TO BUILD JERUSALEM** unto **THE MESSIAH THE PRINCE** shall be **SEVEN WEEKS**, and **THREESCORE AND TWO WEEKS** [69 weeks]: **the STREET shall be built again, and the WALL, even in troublous times.***

*26 And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of **THE PRINCE THAT SHALL COME** shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.*

*27 And he shall confirm the covenant with many for **ONE WEEK** [1 week]: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.*

**Key Understanding: Street and wall with the final one week.** Because the words “*the STREET shall be built again, and the WALL, even in troublous times*” are found in Daniel 9:25, it is assumed that they have to do *only* with the time period of the rebuilding of the street and the wall of Jerusalem associated with the *beginning* of the 69 weeks. However, the themes of street and wall are to be connected as well to the final (1) week of Daniel’s 70 weeks.
