

#2360 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 619, Hebron Massacre of August 23-24, 1929, (xlii), Repeat of Unsealing #414 to help explain the significance of the 11 years between the November 3-4, 1918, World War I rise of the ‘Austrian Successor’ American “*prince that shall come*” and the August 23-24, 1929, Hebron Massacre

Unsealing #414 below is the second of three (3) Unsealings which are repeats of Unsealings #413, #414, and #950 and which are for the purpose of laying the groundwork for the explanation of why the Lord ordained 11 years between the November 3-4, 1918, World War I rise of the ‘Austrian Successor’ American “*prince that shall come*” and the August 23-24, 1929, Hebron Massacre.

#414 Ending the USSR to Build the Second Babel – Why Genesis 11 Babel is linked with the Fall of the Soviet Union

The next step is to make the transition from The Men Named Lennon and Lenin to **Ending the USSR to Build the Second Babel**, though it will also be adding to our understanding of ‘Lennon and Lenin.’

This series of Ending the USSR to Build the Second Babel is one of the most significant understandings of *why* world history has unfolded as it has in the last twenty years, and is unfolding as it is.

Key Understanding #1 (of Unsealing #414): *Why 11-year spreads are linked with the Soviet Union. The reason for the exact 11-year spreads associated with the ‘Kerensky and Lenin’ birth of the USSR and the ‘Lennon and Lenin’ death of the USSR is that the Lord is pointing to Genesis chapter 11.*

Key Understanding #2 (of Unsealing #414): *The rise of a second Genesis 11 Babel. The Lord is pointing to Genesis 11 because the Fall of the Warsaw Pact/Soviet Union ended the major division of the world that was a product of the Cold War, giving rise to a grand opportunity similar to what is espoused in Genesis 11, this time in the form of the earth being of one language and one speech politically, through democracy reigning in the hearts and minds and mouths of men and their governments.*

Genesis 11:1 (KJV) And the whole earth was of one language, and of one speech.

[**Very Important Point:** We are going ahead and making the point that a present-day and latter-day(s) fulfillment of Genesis 11 Babel is why the end of the Cold War would immediately result in bringing the United States (continuing to mature in its role as Babylon the Great) and the United Nations to the land of ancient Babel itself – Saddam Hussein’s Iraq – in the Gulf War in 1991. We will be expanding upon that.]
