

#2363 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 622, **Building the Christian-Jewish-Arab Temple, (i), The two steps of (a) building a Temple of Christians and Jews, and (b) building a Temple of Jews and Arabs**

Although the Hebron Massacre of August 23-24, 1929, will remain central to our discussions, the Unsealings are progressing from the Hebron Massacre of August 23-24, 1929 to **Building the Christian-Jewish-Arab Temple**.

The conclusion of the previous Unsealing can be basically summarized as follows (but will be broken down into its components in the upcoming Unsealings to make the matter entirely clear):

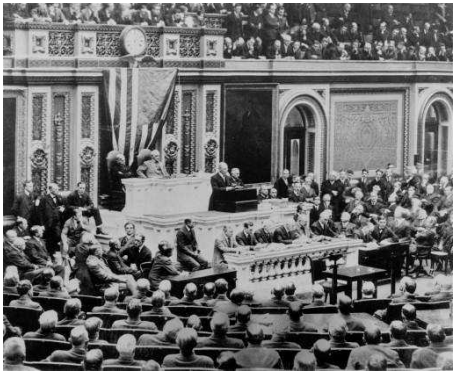

Step 1 – building of the *second* Babel through building a Temple of Christians and Jews

The period of 11 years before the April 2-6, 1917, U.S. entry into World War I – which encompassed the time period between the April 9, 1906, beginning of the Azusa Street Revival and the April 2-6, 1917, U.S. entry into World War I – was for the purpose of representing the building of a *second* Babel, a Babel consisting of a partnership of democratic nations, to build a “world made safe for democracy.”

Ultimately, as will be explained, this step involved the building of a worldwide *second* Babel of a partnership of democratic nations, through a spirit of building a Christian democratic nation(s)-Jewish democratic nation ‘Temple of God’.

Step 2 – continuing the building of a *second* Babel through building a Temple of Jews and Arabs

The period of 11 years after the November 3-4, 1918, ‘end of the war’ ‘Austrian Successor’ American “*prince that shall come*” – which encompassed the time period from the November 3-4, 1918, surrender of Austria to the August 23-24, 1929, Hebron Massacre, and the October 24, 1929, Wall Street Crash – represented *the continuation* of the building of the *second* Babel, but through a *second* step, the building of a Jewish-Arab Temple, or, if such be the case, a Jewish *nation*-Arab *nation* Temple.
