

#2368 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 627, **Building the Christian-Jewish-Arab Temple, (vi), The Christian part of the Temple**

Review: Five (5) Unsealings ago (Unsealing #2363), it was outlined that the understanding of the building of the Christian-Jewish-Arab Temple (of men) can be broken down into the two steps of (Step 1) the building of a (counterfeit living stones) temple of Christians and Jews and then (Step 2) the building of a (counterfeit living stones) temple of Jews and Arabs. At this time, so that we do not need to repeat most of the content of Unsealing #2363, please go back and glance at the Unsealing to refresh your memory.

Below is the content of the first part of Unsealing #2363:

Step 1 – building of the *second* Babel through building a Temple of Christians and Jews

The period of 11 years before the April 2-6, 1917, U.S. entry into World War I – which encompassed the time period between the April 9, 1906, beginning of the Azusa Street Revival and the April 2-6, 1917, U.S. entry into World War I – was for the purpose of representing the building of a *second* Babel, a Babel consisting of a partnership of democratic nations, to build a “world made safe for democracy.”

Ultimately, as will be explained, this step involved the building of a worldwide *second* Babel of a partnership of democratic nations, through a spirit of building a Christian democratic nation(s)-Jewish democratic nation ‘Temple of God’.

April 2-6, 1917

Key Understanding (of this Unsealing #2368): *Breaking down the building of the temple of Christians and Jews into its first component of building the temple of Christians. What we are in the midst of doing, then, even beginning with the recent Unsealings #2364–#2367, is solidifying the understanding of the building of the Christian portion of the Christian-Jewish Temple. The next several Unsealings will be repeat Unsealings solidifying that understanding, for it has already been discussed in those Unsealings. Once we nail down (through review) the understanding of the building of the massive temple of *Christians* (though it actually is the building of a living stones worldwide temple of Babel), we will then add the *Jewish* portion, which also has already been discussed.*

In general – at this point in time in the learning process – what is shown (again) in the scenario *below* should be considered the *Christian* portion (because of ‘Christian democracy’) of the building of a living stones Christian-Jewish-Arab temple of Babel.

The most simplistic explanation is that efforts to Make the World Safe for Democracy were/are the building of the *Christian* ‘living stones’ temple of Babel

Genesis 11:1 (KJV) And THE WHOLE EARTH WAS OF ONE LANGUAGE, and ONE SPEECH [Woodrow Wilson’s April 2, 1917, ‘The World Must Be Made Safe for Democracy’ Speech].

The living stones of the *partnership of democratic nations* Babel

President Woodrow Wilson delivering his “the world must be made safe for democracy” speech to Congress on April 2, 1917, building a worldwide *second* Babel.

The issue: mankind is building a Babel of democracy as if it was the living stones temple of God

Ephesians 2:21 (KJV) In whom all the building fitly framed together groweth unto AN HOLY TEMPLE IN THE LORD:
