

#2390 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 649, **Building the Christian-Jewish-Arab Temple, (xxviii), Connecting the Civil War with World War I: The Civil War began on April 12, 1861, and General Allenby was born April 23, 1861**

Key Understanding: *The ‘Conqueror of Jerusalem’ was born 11 days after the start of the Civil War.* The Lord ordained the Civil War (and its freeing of the slaves) to be linked to World War I (and its freeing of Jerusalem) through the facts that the Civil War began on April 12, 1861, and General Edmund Allenby, who liberated Jerusalem from the Turkish Muslims during World War I, was born 11 days later, on April 23, 1861.

The question is, Why did the Lord ordain this prophetic relationship between the Civil War, which brought about the freeing of southern slaves, and World War I, which brought about the freeing of Jerusalem from the Muslim Turks?

Galatians 4:23 (KJV) *But he who was of the bondwoman was born after the flesh; but he of the freewoman was by promise.* [NIV . . . His son by the slave woman was born in the ordinary way; but his son by the free woman was born as the result of a promise.]
