

#2419 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 678, **Building the Christian-Jewish-Arab Temple, (lvii), The June 12, 1929, birth of Anne Frank: 2 months and 11 days before the August 23-24, 1929, Hebron Massacre**

Here is what we are doing: (a) Anne Frank and Adolf Hitler are paired together *historically* because of the Holocaust, while (b) the August 23-24, 1929, Hebron Massacre and the October 24, 1929, Wall Street Crash are *prophetically* paired. However, we have also just paired (i) the Wall Street Crash with the rise of Adolf Hitler. Now it is time to link (ii) the June 12, 1929, birth of Anne Frank with the August 23-24, 1929, Hebron Massacre.

Key Understanding: *The birth of Anne Frank and the Hebron Massacre.* Anne Frank, who became the best-known victim of the Nazi Holocaust, was born on June 12, 1929, 2 months and 11 days before the start of the August 23-24, 1929, Hebron Massacre, which brought the deaths of 67 Jews in Hebron. The birth of Anne Frank was emphasized in her story through her receiving her diary on her 13th birthday, June 12, 1942, in the midst of World War II.

Thus, the first correlation that is seen between the birth of Anne Frank and the Hebron Massacre is that the former represents the extermination of millions of Jews in the Nazi Holocaust, and the latter represented the massacre of Jews in Hebron.

Matthew 27:25-26 (KJV) Then answered all the people, and said, HIS BLOOD BE ON US, AND ON OUR CHILDREN.

26 Then released he Barabbas unto them: and when he had scourged Jesus, he delivered him to be crucified.
