

**#2438** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 697, **Building the Christian-Jewish-Arab Temple, (lxxvi), The fall of the Dutch ‘Wall Street’ wall and the fall of the Dutch stock exchange**

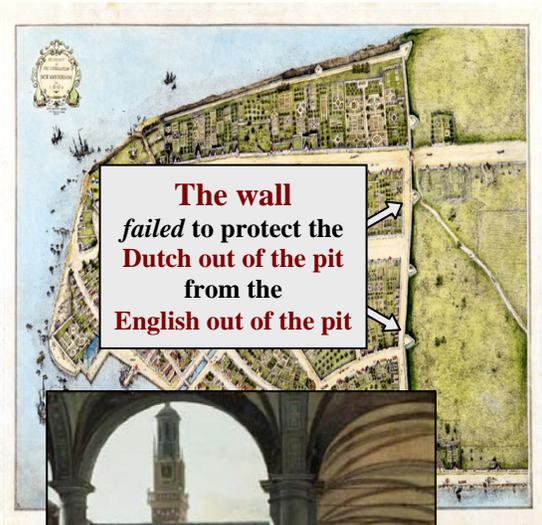

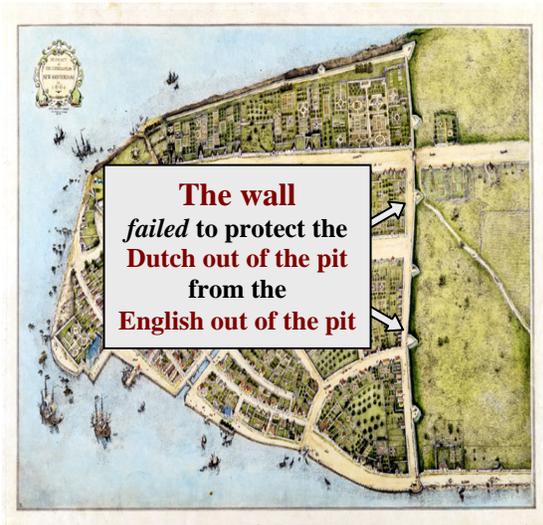

**Key Understanding #1:** *The two steps of the fall of the Dutch ‘Wall Street’ wall of protection in 1664 and the plummeting of the Dutch stock exchange in 1672. (i) The wall of protection of the Dutch from the English, symbolized by the ‘Wall Street’ wall, failed in 1664, which resulted in the Second Anglo-Dutch War (1665-1667), and (ii) the stock exchange of the Dutch plummeted in 1672 in conjunction with the Third Anglo-Dutch War (1672-1674), with each event and each war associated with the Dutch losing New Amsterdam to the English. [It can be said, of course, that the ‘Wall Street’ wall of protection failed again (a *second* time) during the Third Anglo-Dutch War (1672-1674) because the Dutch lost New Amsterdam again to the English, this time *permanently*.]*

**New Amsterdam becomes New York City**

The Dutch ‘Wall Street’ wall of protection fell in 1664, resulting in the Second Anglo-Dutch War (1665-1667)

**New Amsterdam becomes New York City**  
*permanently*

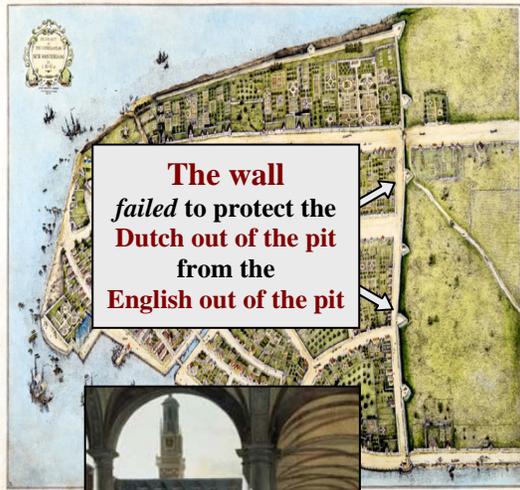

The Dutch ‘Wall Street’ wall of protection again fell in the Third Anglo-Dutch War (1672-1674), accompanied by the plummeting of the Old Amsterdam stock exchange

Old Amsterdam stock exchange

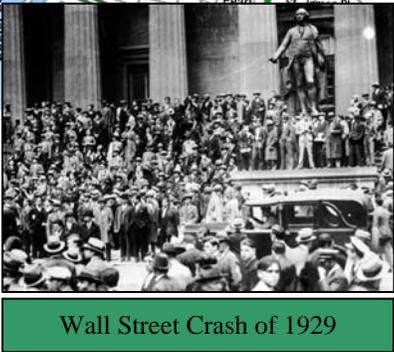

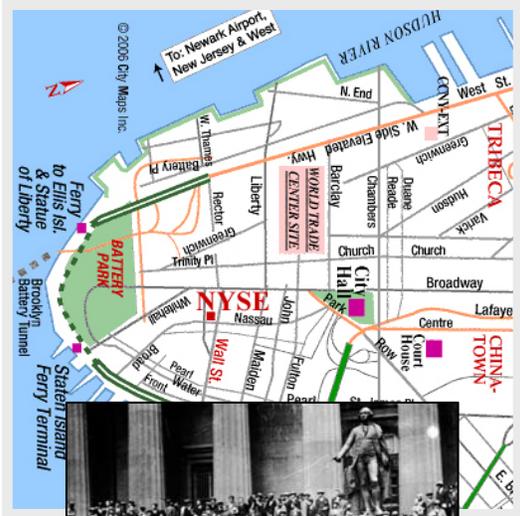

**Key Understanding #2: Merging the Dutch wall on Wall Street with the plummeting of the Old Amsterdam stock exchange. The events of (i) the fall of the ‘Wall Street’ wall in New Amsterdam, which would lead to it becoming New York City, and (ii) the plummeting of the Old Amsterdam stock exchange, are to be merged to point to the theme and event(s) of the Wall Street Crash(es) associated with the New York Stock Exchange (Wall Street).**

**The Wall failed and the stock exchange fell**

The Old Amsterdam stock exchange fell

**The Wall Street stock exchange fell**

Wall Street Crash of 1929

**Key Understanding #3: The two steps of the fall of the Dutch ‘Wall Street’ wall of protection in 1664 and the plummeting of the Dutch stock exchange in 1672 were/are a part of the prophetic story of Wall Street attached to New Amsterdam/New York City that led up to the Wall Street Crash of October 24-29, 1929, and that is a part of the fulfillment of Daniel 9:25, “the street shall be built again, and the wall, even in troublous times,” which is connected with “the prince that shall come” in Daniel 9:26 and Daniel’s 70<sup>th</sup> week in Daniel 9:27.**

**Daniel 9:25 (KJV) Know therefore and understand, that from THE GOING FORTH OF THE COMMANDMENT TO RESTORE AND TO BUILD JERUSALEM unto THE MESSIAH THE PRINCE shall be SEVEN WEEKS, and THREESCORE AND TWO WEEKS [69 weeks]: the STREET shall be built again, and the WALL, even in troublous times.**
