

#2439 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 698, **Building the Christian-Jewish-Arab Temple, (lxxvii), There was a massive failure in the Netherlands’ defensive wall of protection when Hitler’s invasion came in May 1940**

We are now moving from the failure of the Dutch ‘Wall Street’ wall of protection for the Dutch when the *English invaded* New Amsterdam in 1664, to the failure of the Dutch defensive walls of protection (see the map below) when *Hitler’s invasion* of Western Europe began on May 10, 1940. The Netherlands’ “walls” of protection were no match for the Germans.

Here come the Germans (*map, right*).
Rotterdam (*immediately below*) was destroyed by
German bombing in May 1940.

street in Amsterdam after the Nazi invasion
of the Netherlands

Key Understanding: *The failure of the Netherlands' defensive wall of protection against Germany's invasion in May 1940 was a part of the prophetic story of the 'Wall Street' wall attached to New Amsterdam/New York City that is also tied to the Wall Street Crash of October 24-29, 1929, and that is a part of the fulfillment of Daniel 9:25, "the street shall be built again, and the wall, even*

in troublous times," which is connected with "the prince that shall come" in Daniel 9:26 and Daniel's 70th week in Daniel 9:27.

Daniel 9:25 (KJV) Know therefore and understand, that from THE GOING FORTH OF THE COMMANDMENT TO RESTORE AND TO BUILD JERUSALEM unto THE MESSIAH THE PRINCE shall be SEVEN WEEKS, and THREESCORE AND TWO WEEKS [69 weeks]: the STREET shall be built again, and the WALL, even in troublous times.
