

#2441 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 700, **Building the Christian-Jewish-Arab Temple, (lxxix), The other Western Wall**

**The Western Walls.** The Western Wall, also called the Wailing Wall, is an exposed section of ancient wall on the western flank (and hence it is called the *Western* Wall) of the Temple Mount. The wall faces a large plaza that is set aside for prayer. The wall functions as a retaining wall, built to support the extensive renovations that Herod the Great carried out. The plateau on which the First and Second Temples stood was expanded into the wide area of the Temple Mount visible today.

The Western Wall

The Western Wall

**Key Understanding #1: *Another western wall.*** A major reason why the Lord ordained the Western Wall to be a western wall was/is to point to *another wall* that the Lord refers to as a western wall, the ‘Wall Street’ wall built by the Dutch at New Amsterdam, in the New World (in the western hemisphere), around which the history of Wall Street would develop.

**Key Understanding #2: *The western wall of the West is wholly involved in the prophetic story of the Western Wall of Jerusalem.*** The theme of the “other” Western Wall refers to the overall concept of the United States of America as a whole representing the theme of a (the) Western Wall of the West, and, more specifically, points to the fact that the Western Wall of the West would be prophetically entwined in the matter of the Western Wall of Jerusalem. This is all a part of the fulfillment of “*the street shall be built again, and the wall, even in troublous times*” associated with Daniel’s 70<sup>th</sup> week.

*Daniel 9:24-25 (KJV) **SEVENTY WEEKS** [of years] are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make*

*reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.*

*25 Know therefore and understand, that from THE GOING FORTH OF THE COMMANDMENT TO RESTORE AND TO BUILD JERUSALEM unto THE MESSIAH THE PRINCE shall be SEVEN WEEKS, and THREESCORE AND TWO WEEKS [69 weeks]: the STREET shall be built again, and the WALL, even in troublous times.*
