

#2474 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 733, **Building the Christian-Jewish-Arab Temple, (cxii), Troublous Times (continued)**

Key Understanding #1 (which is the same as is in the previous Unsealing): *Troublous times and the Daniel 9:26 antichrist “prince(s) that shall come.”* The “troublous times” in Daniel 9:25 are speaking of the times of Nehemiah.

However, they are also to be applied to Daniel’s 70th week, because the antichrist “prince(s) that shall come,” in fulfillment of Daniel 9:26 and the *destruction* of the city, the temple, the street, and the wall(s), are *counterfeiting* the Daniel 9:25 *building* of the city, the temple, the street, and the wall, “even in *troublous times*.”

*Daniel 9:25 (KJV) Know therefore and understand, that from the going forth of the commandment to restore and **TO BUILD JERUSALEM** unto **THE MESSIAH THE PRINCE** shall be seven weeks, and threescore and two weeks: **THE STREET SHALL BE BUILT AGAIN, AND THE WALL, even IN TROUBLOUS TIMES.***

Key Understanding #2: *The “troublous times” of the Middle East “war and peace process.”* “Troublous times” certainly defines the Middle East “war and peace process” that stretched from August 24, 1929, through the September 13, 1993, Middle East accord between Israel (led by Yitzhak Rabin) and the Palestine Liberation Organization (led by Yasser Arafat) and to the present, and that is a *counterfeit* fulfillment of the *building* of the city, the temple, the street, and the wall in Daniel 9:25.
