World War I – *Ishmael’s Seed*
The “freeing” of Jerusalem for a Jewish national home (and an Arab national home) represented the Jews (and Arabs) *spiritually* as Ishmael’s Seed (as the Jews were in John 8:31-40)

Key Understanding: *The Battle of Beersheba.* A part of the picture of Ishmael being linked with Beersheba is that the key battle in the “freeing” of Jerusalem in 1917 by General Allenby, whose actions represented the Jews (and Arabs) *spiritually* as Ishmael’s Seed, was the Battle of Beersheba.

What is *below* is the same as what is *above*, except that a map of the Battle of Beersheba (as part of the Third Battle of Gaza) has been substituted for the map (*above*) of the land inherited in the Promised Land by the tribes of Israel.
