

**#2648** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 907, **The Palm Christians, (xxxviii), Valley Forge: “A Little Season” was represented (in the counterfeit) through the winter soldiering of the Continental Army during the Revolutionary War, and especially at Valley Forge**

*Revelation 6:9-11 (KJV) And when he had opened **THE FIFTH SEAL**, I saw under the altar the souls of **THEM THAT WERE SLAIN for the word of God**, and for the testimony which they held:*

*10 And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?*

*11 And **WHITE ROBES** were given unto every one of them; and it was said unto them, that they should rest yet for*

***A LITTLE SEASON,***

*until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled.*

**Key Understanding: Winter soldiers. “A little season” in Revelation 6:11 was represented (in the counterfeit) through the winter soldiering of the Continental Army during the Revolutionary War.**

*These are the times that try men’s souls. **The summer soldier** and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph.*

**Winter soldiers at Valley Forge.** Of all the places associated with America’s War for Independence, none conveys more the impression of suffering, sacrifice, and ultimate triumph than Valley Forge. No battles were fought here, no bayonet charges or artillery bombardments took place, but during the winter of 1777-1778 approximately 2,000 colonial soldiers died at hospitals in the surrounding area nonetheless. Valley Forge is the story of an army’s epic struggle to survive against terrible odds, against hunger, disease, and the unrelenting forces of nature.

**Winter soldiers.** Washington at Valley Forge during the winter of 1777-1778, a year after Thomas Paine wrote about “the summer soldier” in *The Crisis*.
