*The Normal Christian Life* is probably Watchman Nee's best known book. It was based on talks given by Watchman Nee at the time of and subsequent to his trip through Europe in 1938-1939. It expressed theological views on the first few chapters of the New Testament Book of Romans. In the later sections of the book he presented his views on what the normal Christian life should be.

Here is #2661–Doc 2, also about Watchman Nee.
