

#2704 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 963, Palm Beach to Judging Pretender Babylon, (v), George W. Bush, the evangelicals’ “palms in their hands” President

Revelation 7:9 (KJV) After this I beheld, and, lo, **A GREAT MULTITUDE**, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and **PALMS IN THEIR HANDS**;

Review (from the previous Unsealing): *George W. Bush, the Palm Beach president.* George W. Bush becoming President of the United States was wrapped around events surrounding Palm Beach County in Election 2000. The Lord designed Election 2000 to unfold as it did, surrounding Palm Beach, to connect George W. Bush with the Great Multitude with “*palms in their hands*” (Revelation 7:9).

Key Understanding: *George W. Bush, the evangelicals’ ‘palms in their hands’ president.* **The strong evangelical support for George W. Bush in comparison to his respective opponents in Election 2000 and Election 2004 further confirms the understanding of George W. Bush representing the Great Multitude of Christians with “*palms in their hands.*”**
