**#432 George Washington to George H. W. Bush – The Husband Presidents, part 1, Each Married on January 6, 186 years apart**

Fear God. He is Sovereign.

**On January 6, 1759, George Washington** married Martha Dandridge Custis (who became Martha Washington) in a ceremony at her mansion, which, by the way, was named the White House. *Exactly 186 years later*, on **January 6, 1945, George H. W. Bush** married Barbara Pierce (who became Barbara Bush).

**Key Understanding: Not only did George Washington and George H. W. Bush as presidents share a common first name – and were the only presidents to have the name of George up through the time of the latter, George H. W. Bush – but they each were married on January 6, exactly 186 years apart, to reflect “her double” of Revelation 18:6.**

*Revelation 18:6 (KJV) Reward her [Babylon the Great] even as she rewarded you, and **DOUBLE UNTO HER DOUBLE** according to her works: in the cup which she hath filled fill to **HER DOUBLE**.*

The Marriage of Washington to Martha Custis, by Junius Brutus Stearns, 1849
