

#2744 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1003, **Palm Beach to Judging Pretender Babylon, (xlv), Repeat of Unsealing #428**

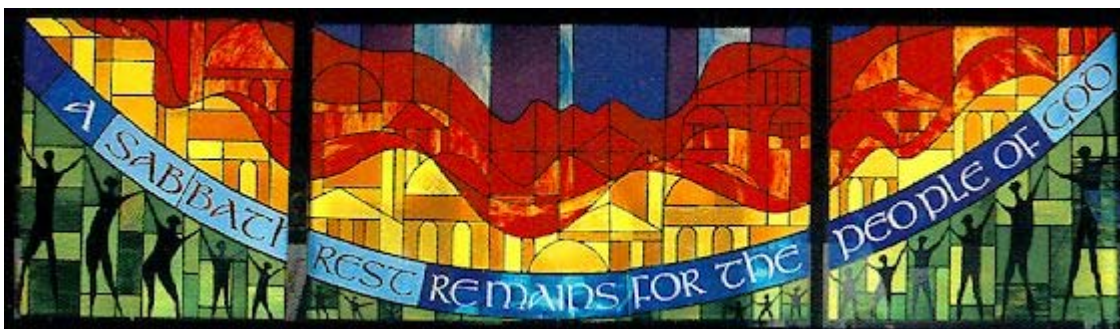

Key Understanding (of this Unsealing #2744): **This repeat of (most of) Unsealing #428 is for the purpose of reviewing that the date of December 9, 1991, was attached to the defeat of the Soviet Union, solidifying the understanding that there were 11 years between the U.S. defeats of the Soviet Union and the Saddam Hussein regime in Iraq.**

#428 Time Magazine, December 9, 1991 – John Lennon’s 51st birthday and the end of V. I. Soviet Leninism

The 2-month date change. Let’s recall the 2-month date change that was covered earlier [reference Unsealing #242]. Just as the Lord uses the date of December 9 to correlate with a verse such as Daniel 12:9, He might also use the date of October 9 (2 months before December 9), or February 9 (2 months after December 9), to do so as well.

V. I. Lenin. Let’s also recall the significance of the theme of VI, or 51, associated with V. I. Lenin. In Unsealings #182–#189, we discussed V. I. Lenin and topics such as the May Day Millennium. We covered some of the history of May Day and the Soviet Union. Basically the understanding is that both the Democracy and Capitalism of the *Scarlet* Beast U.S. and the Communism of the *Red* Soviet Union are/were political philosophies representing counterfeits of the Lord’s Seventh Day-Sabbath Day Millennial Rest. Key verses:

Hebrews 4:4 (KJV) For he spake in a certain place of the seventh day on this wise, AND GOD DID REST THE SEVENTH DAY, FROM ALL HIS WORKS.

Genesis 1:31 (KJV) And God saw every thing that he had made, and, behold, it was very good. And the evening and the morning were THE SIXTH [VI] DAY.

Isaiah 40:6 (NIV) . . . ALL MEN [Number of Man is 6, or VI] are like grass, AND ALL THEIR GLORY is like the [May] FLOWERS of the field. [May Day and May Day’s Mayflower represent 5/1.]

John Lennon's birth. Having reviewed the *above* two subjects of the **2-month date change** and **V. I. Lenin**, let's move on to the matter of **John Lennon** (*pictured left*) being born in Liverpool, England, on **October 9, 1940**, and the **December 9, 1991**, Fall of the Soviet Union occurring on what would have been **John Lennon's 51st birthday**. In learning about it, you will see the Lord's confirmation through a 2-month change at work again.

Key Understanding: *The meaning of John Lennon's 51st birthday occurring at the end of V. I. Soviet Leninism.* The Lord ordained John Lennon to be born on **October 9, 1940**, so that the end of **V. I. Lenin's Soviet Union** on **December 8-10, 1991**, would occur on Lennon's **51st birthday + 2 months**. (**October 9, 1991 + 2 months = December 9, 1991**.) [October is the tenth month of the modern calendar, yet October means *eight*, while December means *ten*.] **The reason why the Lord orchestrated Soviet V. I. Leninism to end on what would have been Lennon's 51st birthday was to nail down the symbolism that the Scarlet Beast – playing the role of the Lord's 'One Nation Under God' millennial kingdom – was ending man's rule (represented by the number 6, or VI) over the kingdoms of the earth, represented by Lenin's 'Imagine there's no heaven' Red Soviet Union.**

[Note: This also explains why John Lennon was shot at the age of 40, because his murder was prophetically associated with Genesis 11, and therefore it occurred 11 years before the end of the Soviet Union, which in turn occurred 51 years after Lennon's birth.]
