

**#2784** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1043, **Palm Beach to Judging Pretender Babylon, (lxxxv), Repeat of Unsealing #128 to lay the foundation for understanding how “one hour with the beast” in Revelation 17:12 is tied to the “short space” space race of Revelation 17:10**

**#128 The Short Space Kingdoms – The April 30, 1945, Birth of the Pilot of the *Challenger***

The Lord often uses a simultaneous *death* and *birth* to show a pattern of succession, or to provide the linkage of a prophetic relationship. Adolf Hitler died on April 30, 1945, and on that same Monday of April 30, 1945, Michael Smith, pilot of the January 28, 1986, last flight of the *Challenger*, was born.

*Challenger, January 28, 1986*

**Key Understanding:** *The death of Hitler, and the birth of the Challenger. The April 30, 1945, death of Adolf Hitler, and the simultaneous April 30, 1945, birth of Michael Smith, pilot of the last flight of the U.S. space shuttle Challenger on January 28, 1986, point to the fulfillment of prophecy in Revelation 17:10-11 of America being the 8<sup>th</sup> Kingdom, immediately succeeding the 7<sup>th</sup> Kingdom, Hitler’s Third Reich Germany, which lasted but “a short space.”*

*Revelation 17:10-11 (KJV) . . . and **THE OTHER** [the Seventh Kingdom, Hitler's Third Reich Germany] **IS NOT YET COME**; and when he cometh, he [the Seventh Kingdom, Hitler's Third Reich Germany, January 30, 1933 – April 30, 1945] must continue **A SHORT SPACE**. [America as the Beast, the Eighth, and as the winning Space Race Kingdom, is represented by the April 30, 1945, birth of Michael Smith, pilot of the last flight of the space shuttle *Challenger*.]*

*11 And **THE BEAST** [out of the Pit in Rev. 17:08, the United States of America] that was, and is not, even **HE IS THE EIGHTH**, and is of the seven, and goeth into perdition.*
