

#2787 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1046, Palm Beach to Judging Pretender Babylon, (lxxxviii), Why “one hour with the beast” is tied to space

Review (from the previous Unsealing): *The one hour with the beast*. The launch of Alan Shepard on May 5, 1961, which marked America’s entry into the space race against the Soviet Union, also marked the *beginning* of a 41.666-year time period of the ten kings receiving power as kings “one hour with the beast” (Revelation 17:12). The launch of *Columbia* on January 16, 2003, marked the *end* of the same time period.

Key Understanding: Why “one hour with the beast” is tied to the space race. The wording of “a short space” in Revelation 17:10 and its ultimate prophetic attachment to the space race is why the Lord used the May 5, 1961, launch of Alan Shepard and the ill-fated January 16, 2003, launch of *Columbia* to mark the respective *beginning* and *end* of “one hour with the beast” in Revelation 17:12.

ONE HOUR

Columbia's launch led to its destruction

Revelation 17:12 (KJV) And the ten horns which thou sawest are ten kings [the Bill of Rights], which have received no kingdom as yet; BUT RECEIVE POWER AS KINGS ONE HOUR WITH THE BEAST. [The last flight of the space shuttle *Columbia* marked the *end* of a 41.666-year – or “one hour” – time period when the ten kings received power as kings with the beast.]

Revelation 17:10-12 (KJV) . . . and THE OTHER [the Seventh Kingdom, Hitler’s Third Reich Germany] IS NOT YET COME; and when he cometh, he [the Seventh Kingdom, Hitler’s Third Reich Germany, January 30, 1933 – April 30, 1945] must continue A SHORT SPACE. [America as the Beast, the Eighth, and as the winning Space Race Kingdom, is represented by the April 30, 1945, birth of Michael Smith, pilot of the last flight of the space shuttle *Challenger*.]

11 And THE BEAST [out of the Pit in Rev. 17:08, the United States of America] that was, and is not, even HE IS THE EIGHTH, and is of the seven, and goeth into perdition.

12 And the ten horns which thou sawest are ten kings [the Bill of Rights], which have received no kingdom as yet; BUT RECEIVE POWER AS KINGS ONE HOUR WITH THE BEAST. [The last flight of the space shuttle *Columbia* marked the end of a 41.666-year – or “one hour” – time period when the ten kings received power as kings with the beast.]
