#1890 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 149, **An Angel riding in the Whirlwind and directing the Storm: The Micah 5:5 Assyrian vs. the Micah 5:5 Seven Shepherds, (xxiii), Revelation 18:5: Her Sins have reached unto Heaven, on July 2, 1776, and 185 years later, on May 2, 1961**

Review (from the previous Unsealing): *Alan Shepard's flight of May 5, 1961, and Revelation 18:5.* Alan Shepard's 'first American in space' flight of May 5, 1961, in the 185th year of American independence, was not only in fulfillment of Micah 5:5, but was also in fulfillment of Revelation 18:5 (shown below), "For *HER* [Babylon's] *SINS HAVE REACHED UNTO HEAVEN*, and God hath remembered her iniquities." Simply, the event of Alan Shepard becoming the first American to enter into the heavens during America's 185th year of independence was specifically a major fulfillment of Revelation 18:5, "For *HER* [Babylon's] *SINS HAVE REACHED UNTO HEAVEN*."

Revelation 18:5-6 (KJV) For *HER SINS HAVE REACHED UNTO HEAVEN*, and God hath remembered her iniquities.

6 Reward her even as she rewarded you, and **DOUBLE UNTO HER DOUBLE** according to her works: in the cup which she hath filled fill to her double.

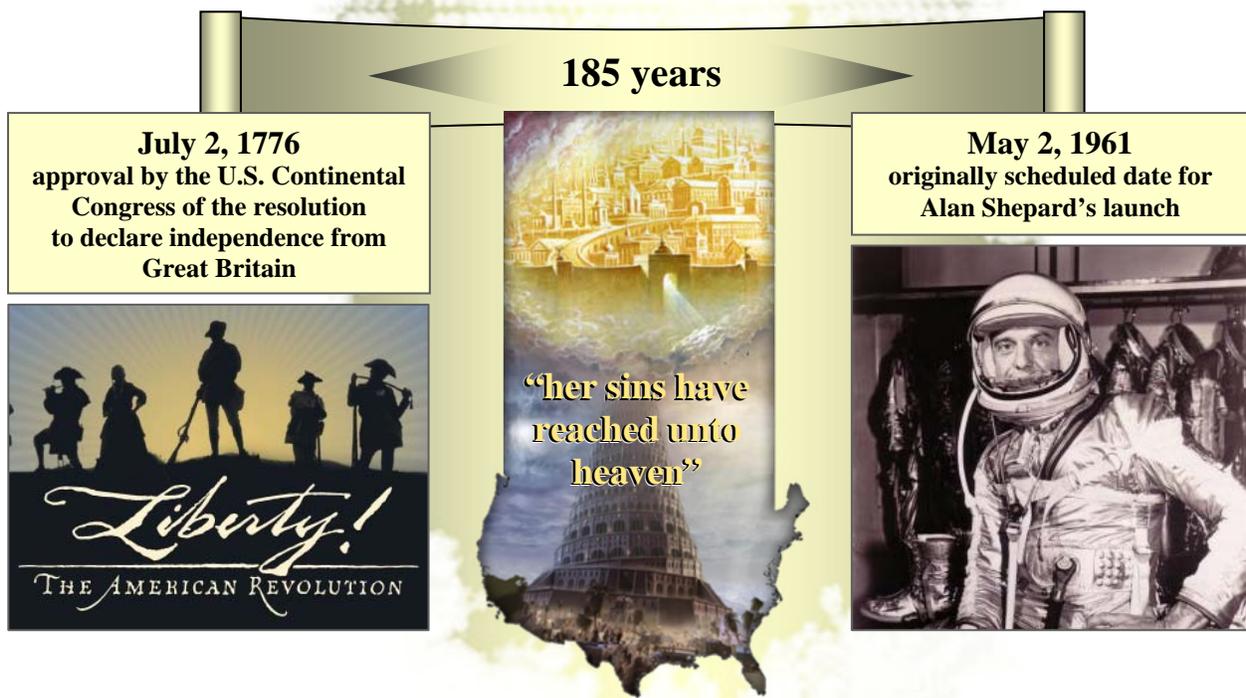

Key Understanding #1: Samuel Adams and bringing the Lord's kingdom from heaven to the earth through the Declaration of Independence. A famous quote attributed to Samuel Adams (1722-1803) upon the signing of the Declaration of Independence is, "We have this day restored the Sovereign to whom all men ought to be obedient. He reigns in heaven and from the rising to the setting of the sun, let His kingdom come." [This was mentioned earlier in Unsealing #377.] In other words, the Declaration of Independence of the United States was essentially the beginning of bringing the Lord's kingdom to the earth, as if it was a part of the fulfillment of the Lord's prayer in Matthew 6:10, "*Thy kingdom come. Thy will be done in earth, as it is in heaven.*"

Key Understanding #2: Babylon's sins have reached unto heaven. The U.S. Declaration of Independence

from Great Britain of July 2, 1776, as seen through the words of Samuel Adams, was fully possessed of the spirit of the counterfeit fulfillment of “*Thy kingdom come,*” and “*Thy will be done in earth, as it is in heaven*” (Matthew 6:10), and as a consequence, simultaneously fulfilled Revelation 18:5, “*For HER [Babylon’s] SINS HAVE REACHED UNTO HEAVEN, and God hath remembered her iniquities.*” Clearly, exactly why Babylon’s sins reached heaven was because ‘One Nation Under God’ Babylon believed that her birth was bringing the Lord’s kingdom from heaven to earth.

Key Understanding #3: *Babylon’s sins have reached unto heaven, on July 2, 1776, and 185 years later, on May 2, 1961.* America-Babylon’s sins reached heaven on July 2, 1776, due to America’s Declaration of Independence from Great Britain, in fulfillment of Revelation 18:5, and, 185 years later, again in fulfillment of Revelation 18:5, America-Babylon’s sins reached heaven with the originally scheduled May 2, 1961, launch date of Alan Shepard as the first American in space in the space race with the Soviet Union. The American-Babylonian spirit underlying the space race was that America was the Lord’s “One Nation Under God” upon the earth, while the Soviet Union represented Satan’s atheistic Communism. [Because the initial launch of Alan Shepard was scheduled to occur on May 2, 1961, it was announced on that day, after the launch was scrubbed, that it was Shepard who was to be the first American astronaut to be launched into space. Therefore, the May 2, 1961, date is significant for that reason as well.]

Key Understanding #4: *Space = heaven.* The Lord chose the event of the first American being launched into space to represent Babylon’s sins reaching heaven, with the idea that *space = heaven.*

Key Understanding #5: *Double unto her double*. The July 2, 1776, Declaration of Independence, which represented the forthcoming Revolutionary War defeat of Great Britain, and the 185-year later May 2, 1961, scheduled launch of Alan Shepard, which represented the forthcoming Cold War defeat of the Soviet Union, not only represented and partially fulfilled Revelation 18:5, but as a *double* represented and partially fulfilled Revelation 18:6 as well, “*double unto her double*.” Thus, the two verses of Revelation 18:5 and Revelation 18:6 were partially fulfilled through the event of Alan Shepard becoming the first American to be launched into space.
