

#2799 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1058, **Palm Beach to Judging Pretender Babylon, (c), The birth of Karl Marx represented the birth of the *pretender* Scarlet Beast, the Soviet Union, and 185 years later, the launch of *Columbia* represented America’s sins reaching heaven and the death of *pretender* Babylon the Great, the regime of Saddam Hussein**

Key Understanding: *Once more, the ‘pair of balances’ kingdoms of the Soviet Union and the regime of Saddam Hussein. In the prophetic relationship of the 185 years between the May 5, 1818, birth of Karl Marx and the January 16, 2003, launch of *Columbia*, the birth of Karl Marx represented the birth of the *pretender* scarlet beast, the Soviet Union, and the January 16, 2003, launch of *Columbia* represented America-Babylon the Great’s sins reaching heaven, and pointed to the death of the regime of Saddam Hussein, which was in the role of *pretender* Babylon the Great. The ‘pair of balances’ theme of Revelation 6:5 is seen again in this prophetic relationship, as it has been many times before in other prophetic relationships.*

Revelation 18:5-6 (KJV) For HER SINS HAVE REACHED UNTO HEAVEN, and God hath remembered her iniquities.

6 Reward her even as she rewarded you, and DOUBLE UNTO HER DOUBLE according to her works: in the cup which she hath filled fill to her double.

[This 185-year time period is actually 185 years less 4 months (which would be January 5, 2003), then add 11 days.]
