

#2881 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1140, **The Second City of Babylon, (xvi), 86 days from the April 9, 2003, end of the pretender ‘second city’ Babylon regime of Saddam Hussein to July 4, 2003, the 227th (+ 11 years = 238th) year of the real ‘second city’ Babylon the Great**

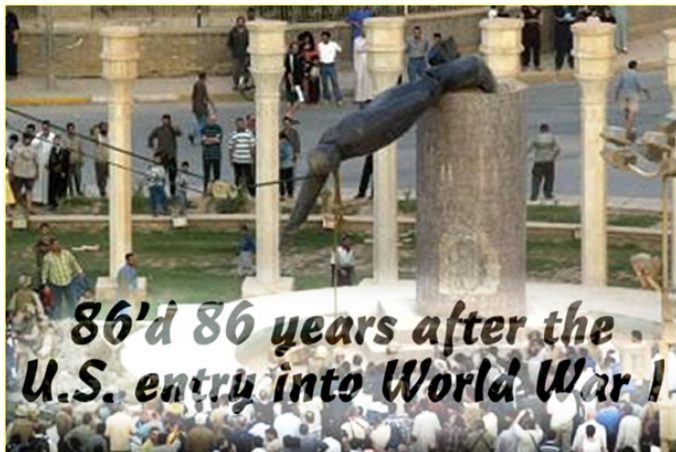

Review (from the previous Unsealing): *The 8686 days of the Saddam Hussein regime.* The Lord designed that (with date changes) the Saddam Hussein regime would last for 8686 days. [The 8686 days: April 9, 2003, less 11 days was March 29, 2003. There were 8657 days from July 16, 1979, to March 29, 2003. 8657 days + 29 “double portion of the spirit” days = 8686 days.]

Key Understanding: *86 days from April 9, 2003, to July 4, 2003.* There were 86 days from the April 9, 2003, end of the *pretender* ‘second city’ Babylon regime of Saddam Hussein to July 4, 2003, the 227th (+ 11 years = 238th) year of the *real* ‘second city’ Babylon the Great. With Daniel 2:38 in the background, the Lord’s purpose for the 86 days is to reveal that the *real* ‘second city’ Babylon the Great will be 86’d just as the regime of Saddam Hussein was 86’d.

April 9, 2003
end of the
Saddam Hussein regime,
in the role as *pretender*
Babylon the Great

86 days

July 4, 2003
227th (+ 11 = 238th)
birthday of America
as the *real* Babylon the
Great

*Daniel 2:38 (KJV) And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all. **Thou art this HEAD OF GOLD.***

Daniel 5:26-28 (KJV) This is the interpretation of the thing: MENE; GOD HATH NUMBERED THY KINGDOM [5:26 = 6:6 = 8:6], AND FINISHED IT.

27 TEKEL; Thou art weighed in the balances, and art found wanting.

28 PERES; Thy kingdom is divided, and given to the Medes and Persians.
