

#2886 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1145, **The Second City of Babylon, (xxi), America’s “Sousa Mistake”**

**Key Understanding: *The Sousa mistake.*** The Lord ordained the U.S. invasion of Iraq to be prophetically identified as a “Sousa mistake” to serve as an explanation that it was a *monumental spiritual and prophetic mistake* for the U.S. to invade Iraq, which was cast in the role of *pretender* Babylon the Great, because when the ‘Susa’ U.S. did so, it finalized and sealed its judgment by the hand of the Lord as the *real* Babylon the Great. This is why the Lord ordained the ill-fated launch of *Columbia*, which pointed to the Lord’s judgment

of the United States as Babylon the Great, to coincide with the March 19, 2003, start of the Iraq War, which constituted the judgment by the U.S. of *pretender* Babylon the Great.
