

#2897 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1156, **The Second City of Babylon, (xxxii), Think to Change Times: Repeat of Unsealing #253 to better understand the 89,809 days (less 2 months) between the February 15, 1763, Treaty of Hubertusberg and the “think to change times” November 4, 2008, election of Barack Obama**

#253 Double Treaties ended the Seven Years’ War – To show the Crown Shift “changing of times,” the December 15, 1791, ‘Bill of Rights’ Ten Horns were 209 years after the time change, and also 29 years after the Treaty of Hubertusburg

*2 Kings 2:9 (KJV) And it came to pass, when they were gone over, that Elijah said unto Elisha, Ask what I shall do for thee, before I be taken away from thee. And Elisha said, I pray thee, let **A DOUBLE PORTION OF THY SPIRIT** be upon me.*

Key Understanding: 209 years and 29 years to the Bill of Rights. To show both (i) Daniel 7:25 “think to change times” and (ii) the Revelation 13:1 Crown Shift to the Ten Horns, and to show that “think to change times” is actually fulfilled in part through the Crown Shift, the Lord designed history so that (a) {matching-up with (i) above} the December 15, 1791, crowning of the ‘Bill of Rights’ Ten Horns was 209 years (+ 2 months + 11 days) after the time change date of October 4, 1582, but also was (b) {matching-up with (ii) above} 29 years (less 2 months) after the February 15, 1763, Treaty of Hubertusburg, which ended the Seven Years’ War, and which produced the Ten Horns of Daniel 7:7.

The graphic consists of several elements:

- Top Left:** A detail of the tomb of Pope Gregory XIII, showing figures celebrating the introduction of the Gregorian calendar.
- Top Center:** A yellow banner with the text "Think to change times" in a stylized font, flanked by two yellow triangles pointing towards a central "209 years" label.
- Top Right:** A circular emblem containing a crown and the text "Ten Horns".
- Bottom Left:** A large, light-colored letter "(a)" in parentheses.
- Bottom Right:** A map of the United States with a white box over the top half containing the text "Bill of Rights" and "Congress of the United States". Below the map, the words "Fourth Rome" are written in a large, bold, serif font.

In short, the December 15, 1791, Bill of Rights represents both “*changed times*” and the Crown Shift. “*Changed times*” is connected with the 209 years and the Crown Shift is connected with the 29 years.

Daniel 7:7 (KJV) After this I saw in the night visions, and **BEHOLD A FOURTH BEAST** [the Roman Empire, which came up from the sea], dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and **IT HAD TEN HORNS** [fulfilled in the French and Indian War (1754-1763) / Seven Years’ War (1756-1763), which ended with the Treaty of Hubertusburg on February 15, 1763, 29 years less 2 months before the December 15, 1791, Bill of Rights].

Revelation 13:1 (KJV) And I stood upon the sand of the sea[shore], and saw **A** [Daniel 7:8 Little Horn ‘Fourth Rome’] **BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS**, and **UPON HIS [Ten] HORNS TEN CROWNS**, and upon his heads the name of blasphemy. [The Ten Horns with Ten Crowns are fulfilled through the Bill of Rights of December 15, 1791, 29 years less 2 months after the February 15, 1763, Treaty of Hubertusburg ended the Seven Years’ War.]
